Numer katalogowy

A-0603

Opis produktu

This peptide hormone from the corpora cardiaca of the locust *Locusta migratoria* is an important regulator of energy metabolism. It stimulates the mobilization of lipids from the fat body and enables long term flight.

Sequence: Pyr-Leu-Asn-Phe-Ser-Ala-Gly-Trp-NH₂

Formula: C₄₃H₅₇N₁₁O₁₁

MW: 903,99
